A BIT OF HISTORY AND A REQUEST

Thank you for your interest in becoming a member of our congregation, Kolot Mayim Reform Temple. Our Congregation is a strong, vibrant group of people with the values of the Reform Movement as our inspiration. Also, Kolot Mayim has become the spiritual home to families and individuals that previously struggled to find a place where they belonged. There are no barriers for anyone regardless of their level of Jewish knowledge, observance, or practice.

Why do our members want to give to support the congregation? Because Kolot Mayim Reform Congregation does all kinds of wonderful things for its members. We take care of each other in times of need and in times of celebration – we are a Jewish Reform community that has come, and stays, together based very simply and clearly on Jewish values.

From the first week we found ourselves sheltering in place this past March, we have been sharing the message that while our building is closed, our synagogue is very much open and thriving. We have new and innovative ways to connect and “be together” virtually for worship, education, pastoral and community gatherings. And while we certainly miss being together in-person, we have created new holy spaces where we have been able to pray, celebrate and mourn with one another. While the meeting place may be “virtual”, the care, passion, compassion, prayer, and friendship are all as real as ever.

The actual cost of keeping the doors open on a per person basis is not covered by our individual annual commitments. Of course, if someone is unable to pay the full annual commitment, we never refuse them as members.

We operate with a shortfall every year. Our gross revenue from membership commitments is about \$36,000. It costs about \$40,000 just to “keep the door open”, so we hope to find as many people who can pay the full annual commitment of \$700 per person. As a new member we understand you want to “take us for a test drive” so we have reduced your commitment from \$700 to \$350. If you can pay more, that is even better since you support those who cannot. If you cannot, please give as generously as possible to sustain your congregation.

Thanks to a few generous members and former members we have been able to sustain ourselves financially as our annual membership commitments do not cover our costs of operation. Therefore, every year we ask those of our members who can, to make a **Voluntary Fair Share** donation over and above their annual dues and every year some folks are able to do so.

Voluntary Fair Share Table *Please use the table below as a guide in determining the range of Fair Share payments appropriate for you.*

Gross Income	Annual Fair Share
\$50,000 to \$55,000	\$ 180
\$56,000 to \$65,000	\$ 360
\$66,000 to \$72,000	\$ 540
\$73,000 to \$80,000	\$ 720
\$81,000 to \$90,000	\$ 900
\$91,000 to \$100,000	\$1,080
\$101,000 and up	\$1,260

I look forward to meeting you both virtually and in person,
 B'virkat shalom
 Sharon Shalinsky, President
